

Welcome Letter from Peggy Miles
Principal, Payson Education Center

Dear PEC Parents/Guardians and Students,

I would like to welcome you back to school for the 2011/2012 school year! If this is your first year at PEC, “Welcome to our school.” The first day of school is Wednesday, August 3rd. School hours are from 8 am to 1:30 pm, Monday – Thursday.

Our Mission at PEC is to provide a dynamic learning environment that:

- 1) Addresses the individualized needs of at-risk or otherwise disengaged students.
- 2) Supports and celebrates the development and attainment of academic, personal and social skills and readiness for the workplace and/or postsecondary education through non-traditional means and in collaboration with parents, community partners and pertinent service providers.

We believe that...

- 1) All students can learn, and acknowledge that individuals learn in a variety of ways and at different rates.
- 2) All children deserve the opportunity to experience success in school.
- 3) All children have the right to feel safe and secure at school.

Decisions made here at PEC are based on these questions: *Is it good for kids?* and *Will this support student success? These questions are best answered with the input and support of family. In order for your student to be enrolled at PEC, we require that students and parents/guardians...*

- ***Complete all registration packet requirements.***
- ***Attend a school orientation meeting***
- ***Meet with an advisor for transcript evaluation and Individual Education Plan (to be scheduled).***

I am looking forward to working with parents, students, and staff at PEC.

For Kids’ Sake,

Peggy Miles, Principal PEC
